

Notary service

Our notary services in Berlin and Frankfurt are available to our clients for all legal transactions in which notarial authentication or the certification of a signature is legally required or is desired by the parties. The notaries also certify copies.

Our clients can benefit from the experience of our notaries in the following areas:

Real estate transactions

- Land and housing purchase agreements
- Division of rights into residential property ownership and residential heritable building rights
- Drawing up of easements, land charges and mortgages
- Deletion approvals and land registry applications

Company law

- Establishment of partnerships and corporations
- Certification of shareholders' resolutions
- Applications for registration in the commercial register

Inheritance and family law

- Wills and inheritance contracts
- Negotiations regarding certificates of inheritance
- Inheritance disputes
- Marriage contracts with agreements on property and pension rights adjustments
- Maintenance agreements

Powers of attorney

- Enduring powers of attorney and living wills
- Powers of sale
- Commercial register authorities

Our notaries > **Dr Guido Schulz** (Berlin) and > **Prof. Dr Stefan Pützenbacher** (Frankfurt) are supported in all these areas by a highly competent and dedicated team.
