### EXPERTISE

- Real estate law
- Public law

Anna Ruth Leo provides legal advice to clients from the private and public sector on all questions of administrative law in the context of the realization of construction planning, construction regulation and all other kinds of approval procedures under public law. Her key practice area is the advice on construction planning and construction regulation. Above from that, she advises in all kinds of law matters concerning the respective interests of neighbours and real estate law.

She also represents clients out of court as well as in court proceedings.

## Curriculum vitae
