EXPERTISE

- Construction contracts
- Law of architects and engineers
- Corporate law/M&A
- Real estate law

Christopher Lück advises clients in all matters of construction law and the law governing architects and engineers. In this context, he accompanies extensive construction measures and is particularly active in the contentment of claims for work compensation as well as the supervision of extensive construction measures during construction in and out of court.

A further focus of his work is advising on corporate law, M&A and corporate restructuring.
