PRACTICE GROUPS

› **Construction and architects' law**

SECTOR GROUPS

› **Residential construction**

EXPERTISE

- Construction contracts
- Law of architects and engineers
- Real estate law

Christopher advises private and public clients, construction companies, planning and project management offices as well as construction product manufacturers in connection with medium-sized construction projects and major construction projects in the areas of private construction law as well as architectural and engineering law. In particular, his work includes project-related legal advice during the planning and construction phase, the drafting and execution of contracts and representation in court proceedings. His advice also focuses on real estate law and conflict resolution in connection with construction emissions on neighbouring properties.

Recent work

- Project support for Kunstpalast redevelopment (JurProM)
- Project support Westfield Hamburg - Überseequartier

- Project support for the new city quarter of the building co-operative in Dormagen-Horrem
- Ongoing advice on construction and property law for a listed British group of advertising service providers and media companies
- Ongoing construction and property law advice to various municipalities

Curriculum vitae

- Studied law at the University of Münster, 2008 to 2013
- Master of Laws (LL.M.) in Business law and Tax law at the Ruhr-University Bochum, 2013 to 2014
- Legal clerkship at the Higher Regional Court of Hamm, 2014 to 2016
- Research associate at the professorial chair of information-, telecommunication- and media law (ITM, public law department), 2016 to 2018
- PhD in the area of company law at the Albert Ludwig University of Freiburg, 2016 to 2019
- Lawyer at Kapellmann since 2018

Further qualifications and memberships

- Lecturer in construction and architectural law for various public and private seminar providers and educational institutions
