EXPERTISE

- Construction contracts
- Law of architects and engineers

Fabian Ranitzsch advises principals and contractors alike on legal issues relating to the implementation of construction projects. The advice includes all questions regarding the drafting and execution of contracts. In addition to private construction law, Fabian Ranitzsch also advises in particular on architectural and engineering law. If conflicts cannot be resolved amicably, which is the preferred solution, Fabian Ranitzsch represents clients in extrajudicial disputes as well as in court disputes.
