PRACTICE GROUPS

- **Construction and architects' law**
- **Real estate law**

SECTOR GROUPS

- **Project development**

EXPERTISE

- Real estate law
- Commercial lease law
- Project development and project management law
- Construction contracts

Dr Kirchhof provides comprehensive advice on the drafting and structuring of contracts relating to real estate, in particular on construction, purchase and lease contracts. Among his clients are market players from all parts of the real estate and construction sectors, including project developers, construction companies and institutional investors – also in the construction process. Further key practice areas are the provision of advisory services on real estate transactions as well as on the law governing agents and brokers.

What others say
