### PRACTICE GROUPS

- › **Construction and architects' law**
- › **Insurance law**

### SECTOR GROUPS

- › **Renewable energies**

### EXPERTISE

- Construction contracts
- Law of architects and engineers
- Insurance law

Frederik Ulbrich advises principals and contractors on all questions of private construction law, from contract drafting to contract management as well as in litigious disputes before Courts. Besides Civil construction law, Frederik Ulbrich advises on the law of architects and in particular on the German peculiarity of HOAI's fixed price regime as well as on the architects' liability.

### Recent work

- Comprehensive architect and construction law support on various projects for a Hamburg-based project developer (residential and commercial construction), value: € 120m
- Various remuneration processes and processes concerning defects in front of ordinary Courts

## Curriculum vitae
