› **Project development**

EXPERTISE

- Construction contracts
- Project development and project management law
- Legal management for large-scale projects JurProM®
- Law of architects and engineers
- Real estate law

Dr Pott advises on all legal issues regarding private construction and architects' law. A particular focus lies on comprehensive legal project and anti-claim management of construction projects. The support ranges from drafting contracts to the resolution of complex project imbalances. Dr Pott is specialised in real estate project development and insolvency law. He advises project developers, construction companies and the public sector.

Recent work

- Complex project development: Construction contract advice for SIGNA, e.g. for the Elbtower
- Infrastructure: Berlin Brandenburg International Airport BER
- Classic construction projects: New construction of the W&W Group headquarters in Kornwestheim
- Residential real estate: Support for various new construction projects for Archigon
- Special-Real-Estate: Freedom and Unity Monument (Freiheits- und Einheitsdenkmal) in Berlin
- Claim management: Enforcement of construction time and supplementary claims for medium-sized construction companies
- Public sector: Public procurement law, e.g. City of Oranienburg
