- › **Infrastructure**

### EXPERTISE

- Construction contracts
- Law of architects and engineers
- Procurement law

Lisa Müller advises principals and contractors on all questions of public and private construction law, as well as procurement law – both in and out of court and in the defence of claims. The main focus of her practice lies on large infrastructure projects.

### Curriculum vitae

- Legal Studies at the University of Augsburg, 2012 to 2018
- Legal clerkship in the district of the Higher Regional Court of Munich, including stages at a law firm specialising in construction law in Munich as well as at the legal department of a German multinational automotive group
- Ongoing doctorate on constitutional law at the University of Augsburg
- Lawyer at Kapellmann since 2021
