### EXPERTISE

- Procurement law
- Public funding and subsidy law
- Construction contracts
- Law of architects and engineers

Martin focuses on the area of procurement law. He supports principals and bidding companies in procurement procedures, procurement review proceedings as well as in the assertion of defense against claims for damages. Another focus of his practice is advising beneficiaries in the context of publicly sponsored projects as well as representing them vis-à-vis grant authorities, for example in Administrative Courts. Furthermore, Martin supervises on matters of private construction law and in the law of architects and engineers.

## What others say
