✉ martin.wittemeier@kapellmann.de

### PRACTICE GROUPS

- › **Construction and architects' law**
- › **Plant engineering law**

### SECTOR GROUPS

- › **Renewable energies**
- › **Power plant construction**
- Offshore Wind

### EXPERTISE

- Plant engineering law
- Construction contracts
- Law of architects and engineers
- Legal management for large-scale projects JurProM®

Martin advises principals and contractors on the realisation of medium-sized and large construction and plant engineering projects. His key practice areas are the drafting and negotiation of relevant project contracts and in the ongoing provision of advice during the project development phase including claim and anti-claim management. He also represents clients in litigious disputes before the courts. A further focus is supporting offshore wind farm projects.

## What others say

**„ Recommended lawyer for construction law; listed under 'the next generation of lawyers' in construction law; 'outstanding knowledge in the field of plant construction law, from contract drafting to construction supervision to defence against defects after acceptance' “**

Legal 500 Germany 2022 since 2024

**„ Listed as a lawyer recommended by in-house counsel for real estate law and construction law “**

kanzleimonitor.de 2023/2024 (law firm directory of the German institute for legal departments & in-house lawyers)
