EXPERTISE

- Construction contracts
- Procurement law
- Real estate law
- Privately financed infrastructure (PFI)

Dr Wolters advises principals and contractors on questions of contract drafting and the management of major construction projects, principally in the field of complex infrastructure projects. In the area of procurement law, Dr Wolters supports public principals in the preparation and implementation of procurement procedures above and below the legal thresholds. Bidders frequently rely on his procurement law expertise in the course of bid preparations and in the conduct of procurement review proceedings.

What others say

„ Recommended lawyer for public procurement law “

Legal 500 Germany 2020

„ Lawyer of the year 2021 for construction law (Berlin); One of the most frequently recommended lawyers for construction law “

Handelsblatt/Best Lawyers® 'Germany's Best Lawyers 2021/2022'
