EXPERTISE

- Construction contracts
- Procurement law
- Real estate law
- Law of architects and engineers
- Privately financed infrastructure (PFI)

Dr Schneider advises principals and contractors on all questions of contract drafting, contract management and on the in-court and out-of-court enforcement of and defence against claims. His key practice areas are major infrastructure and real estate projects. Dr Schneider also advises principals and contractors on Procurement law. His advice covers procurement of construction, supply and other services as well as industrial tenders.
